

# Hani Basheer K K

## B.Tech Computer Science & Engineering Student

Bengaluru & Kerala, India | hani.basheer@example.com | github.com/hanibasheer | linkedin.com/in/hanibasheer

### EDUCATION

#### Jain University

2024 – Present (Expected 2028)

Bachelor of Technology (B.Tech) in Computer Science and Engineering

- Relevant Coursework: Data Structures & Algorithms, Object-Oriented Programming in Java, Database Management Systems, Computer Architecture.
- Engaged in advanced technical workshops, hackathons, and collaborative software engineering design projects.

### KEY PROJECTS

#### AI & Cybersecurity Integration Conceptual Framework

2026

Academic Research & Technical Proposal

- Investigated intersections of artificial intelligence and modern cybersecurity defense mechanisms to mitigate automated threat vectors.
- Designed architecture concepts aimed at enhancing resilience within critical infrastructure and power distribution sectors.

#### Data Structures & Algorithm Visualizer Module

2025 – 2026

Java & Core Logic Implementation

- Implemented core data structures including Binary Search Trees (BST), AVL trees, and custom sorting algorithms in Java.
- Focused on time complexity optimization, robust pointer manipulation, and memory efficiency.

#### Labor Economics & Public Policy Analytical Report

2026

Comprehensive Academic Study

- Authored an extensive analytical report examining legal frameworks, global comparative case studies, and judicial reasoning surrounding workforce labor policies.

### TECHNICAL SKILLS

**Programming Languages:** Java, Python, C, JavaScript, HTML/CSS

**Core Concepts:** Data Structures & Algorithms, Object-Oriented Programming, AI/ML Fundamentals, Cybersecurity Concepts

**Tools & Technologies:** Git, GitHub, VS Code, Tailwind CSS, Linux

### EXTRACURRICULAR ACTIVITIES & INTERESTS

- Campus Competitions:** Participated in university-level hackathons and technical events (including Turing Club initiatives and coding challenges).
- Leadership & Collaboration:** Experienced in coordinating multi-member team projects, structuring academic presentations, and driving group research deliverables.
- Personal Interests:** Motorcycle touring and exploration across southern India, strategy and technical analysis, football enthusiast.
